Re: March, aka Cooper
16^{1/2}-17^{1/2}

Dear John,

Excuse my "personal letter" and lack of file # 302, but I wanted to drop you a line. Please forward this info to [redacted]

Virtually all the description compares with [redacted] b6 b7c

Age [redacted]

about 5'10"-5'11"

weighs now about 200 lbs

but goes age weight much less - quite thin

olive - type complex ion

Park hair combed back - straight

Very polite, friendly, low-voiced

* Extremely heavy smoker - now

of cork-tipped cigarette - possibly

Marlboro - the same type as

Raleigh. (more below)

Obviously has good clothes & finance
Reasonably good athlete

(2)

I haven't been able to establish whether he travelled across Pennsylvania, 1971, but Hollister time would be material for [redacted] I'm going b6
[redacted] b7C
to go to the local library in a day or two, to see if by chance I could find [redacted] This could possibly be in the Franklin Times.

His background: His [redacted]

b6
b7C

[redacted] - all are extremely kind, likable, personable, but not too shy or too hard working. I was raised with that family.

b6
b7C

[redacted] As near as I could figure out, [redacted] was in the [redacted] in the early [redacted] but it somehow sticks in my mind that he had something to do with flying or parachuting. In recent years he was [redacted]

b6
b7C

(3) His whole family doesn't really worry about money - this bothers me. They're all quite free & easy. I can't imagine who he could get to help him, but he could be in California to visit [redacted] in the b6 b7C LA area. I assume the \$200,000 was serialized & hasn't appeared, but a real good possibility would be for the money to be "de... cleaned" through the bank [redacted]

The man's "Copper" isn't raring a bell to me, although that is a common scene around here. I talked with [redacted] about [redacted] b6 b7C

If he is to be interviewed, I would strongly recommend that [redacted]. It is very important to stay out of his office. It is quite public ^{b6} and ^{b7C} he could have gun in his desk - & you might not know how he could use it. [redacted]

and embarrassment to him.

I haven't been able to do more without making it public - [redacted]
is still a very close friend of mine,
but so much of this case fits into
this possibility.

Hope I can help more

b6
b7C

[redacted]
b6
b7C

P.S. Sorry for the long letter, but I
needed to get it down on paper!
See you!

9/28/82

Dear John,

Enclosed my last effort
for photos of [redacted]

b6
b7c

a good [redacted] shots with other faces

in the picture & 2 slides. The
slides I got by me going through
about 1100 slides - it took awhile!

I'm keeping busy = [redacted]
